

## **Trash and Recycling Service Information**

Republic Services is our waste collection service provider. The Board manages the trash cans for our residents. Trash is picked up every Friday and recycling is picked up **every other** Friday. Trash collected, including recycling is limited to items that fit inside the trash cans with the lids closed.

Additional fees will be assessed by Republic for trash placed outside of the designated trash receptacles. Those additional fees are your responsibility.

*To make sure your trash or recycling is removed, remember to have it on the curb by 6:00 am.*

If you have any issues with your trash can(s), please call/text Steve at 217-741-0541.

Large item pick-up for the city of Springfield is run by Habitat for Humanity call 217-523-2710 or visit the city's website to schedule a pick-up date.

## **Yard Waste Information**

Weekly yard waste pick-up is not included in our waste services. For weekly pick-up, yard waste stickers may be obtained at Noonan's Hardware at 8<sup>th</sup> & North Grand, Big R & Lowe's on Dirksen Parkway. Stickers are \$2.00 each. Be sure the stickers purchased are for Republic Services.

The city of Springfield has a free yard waste pick up program. It typically starts in the spring and runs through December. The schedule for the free city program can be found on their website.
